

Stephane Hamel

Digital Analytics Thought Leader at
St-Pierre, QC, CA

"Data is the raw material of my craft" - Stephane
Hamel

Description

Stéphane Hamel is a seasoned consultant and distinguished thought leader in the field of digital analytics. Recognized as Google Product Strategy/Expert (2016) and named Most Influential Industry Contributor by the Digital Analytics Association (2012), he has made significant contributions to the industry, including creating the Digital Analytics Maturity Model, the Web Analytics Solution Profiler (WASP) quality assurance tool as well as other tools and concepts throughout the years. Stéphane has previously held a leadership position with award winning Cardinal Path agency, board positions with the DAA and thought hundreds of students enrolled in the UBC Award of Achievement in Digital Analytics and graduate-level marketing classes at Laval University. In addition, Stéphane co-manages the largest Google Analytics user community on Google Plus and serve on a number of advisory boards for agencies, startups and vendors in the digital analytics industry. He is frequently called upon to speak at conferences around the world and an often-quoted media contributor on the topic of digital intelligence and analysis. Stéphane holds an MBA in eBusiness and work from home in a historical heritage area called "Le d'Orléans, near Québec-city, Canada.
