

Veronica Stecker

Media Manager at Gordmans, Inc.

Omaha, NE, US

Grounded in new media and marketing strategies, Veronica can successfully guide both social media and traditional advertising campaigns

Description

I love to accomplish lofty challenges and am always seeking out the next opportunity. I have found my niche in multi-channel retail marketing with a particular affinity toward social media. I most enjoy travelling, speaking at conferences and building relationships with talented marketing professionals.

Veronica Stecker is a social media and strategy expert. She manages everything from traditional advertising to social, digital, and local advertising for an every-day, low-price, regional retailer.

Veronica is the lead strategist in determining the media mix for Gordmans, Inc., an every-day-low-price regional retailer specializing in fashion and home décor. As the Marketing and Media Planner, her responsibilities include managing advertising in traditional media as well as digital media for all 70+ locations.

Veronica's strengths include social media strategy, facebook, search, mobile, and local media advertising. Veronica graduated with honors as a Baylor Business Fellow from Baylor University's Hankamer School of Business in 2009 and holds a Bachelor of Business Administration degree in Economics.

Veronica Stecker is a leading voice in new media and marketing strategies. Read her articles and uncover the secrets to marketing in today's social media world.
