

Wei-Ning Wang, Ph.D.

Assistant Professor, Department of Mechanical and Nuclear Engineering at VCU College of Engineering
Biotech One, Suite 1082, Richmond, VA, US

Chemical engineer & Materials scientist; OPEN graduate student positions available immediately, Please contact Dr. Wang for details.

Biography

Wei-Ning (Weining) Wang, Ph.D. obtained his bachelor's degree in Polymer Science and Engineering and master's degree in Materials Science and Engineering from Nanjing University of Technology* (NanjingTech). He received his doctoral degree in Chemistry and Chemical Engineering in 2006 from Hiroshima University. He was a postdoctoral research associate and Research Assistant Professor in the Department of Energy, Environmental and Chemical Engineering at Washington University in St. Louis prior his joining in VCU. He is currently Assistant Professor in the Department of Mechanical and Nuclear Engineering at VCU.

Industry Expertise

Chemicals, Education/Learning, Research

Areas of Expertise

Nanotechnology, Materials Science and Engineering, Aerosol science and technology, Chemistry and Chemical Engineering, Heterogeneous Catalysis

Affiliations

Senior Member, American Institute of Chemical Engineers (AIChE), Member, American Association for Aerosol Research (AAAR), Member, American Chemical Society (ACS), Member, Association of Environmental Engineering & Science Professors, Member, Materials Research Society (MRS)

Education

Hiroshima University

Ph.D. Chemistry and Chemical Engineering

Nanjing University of Technology

M.E. Materials Science & Engineering

Nanjing University of Chemical Technology

B.E. Polymer Science and Engineering

Accomplishments

Postdoctoral Fellowship for Foreign Researchers
Japan Society for the Promotion of Science (JSPS)
