Office: Seaver 112

Dr. Zahra Alavi got her bachelor's degree in her home country, Iran. In 2011 she came to United States to continue her education. During her PhD at UCLA, she worked on the physics of biological macromolecules, which involved diverse areas of condensed matter, non-linear dynamics, nanoscience, polymer physics and material science. After graduating in 2017 she started working at LMU as a visiting assistant professor.
